

## QUALITY POLICY

**Multilec Engineering Pty Ltd** is a business that supplies specialised mechanical and electrical solutions for our clients in equipment installation, design and manufacture of electrical control systems and electrical services.

**MULTILEC ENGINEERING PTY LTD** is dedicated to understanding our customer's needs and delivering a quality service that meets their expectations and contract specifications.

**MULTILEC ENGINEERING PTY LTD** will always comply with relevant legislative requirements and industry codes.

The Company embraces best practice to ensure a quality service while operating in a safe workplace with minimal impact on the environment. Specific company objectives and targets are planned and regularly reviewed.

Management is dedicated to the philosophy of continual improvement. To support this philosophy **MULTILEC ENGINEERING PTY LTD** has developed and implemented a HSEQ Management Manual addressing workplace safety environmental and quality issues.

The HSEQ Management Manual is embraced by management and employees alike. Induction training of new workers ensures they are trained in the System as they join the Company.

All workers are responsible for the quality of their own work but are supported by Supervisors and documented procedures, where required.

Management fully endorses this Quality Policy and the HSEQ Management Manual that has been implemented.
